

1

00:00:00,000 --> 00:00:02,133

2

00:00:02,133 --> 00:00:05,100

The library offers several tools to help

3

00:00:05,100 --> 00:00:07,000

off-campus students access the high

4

00:00:07,000 --> 00:00:08,666

quality information that you will need

5

00:00:08,666 --> 00:00:11,366

to complete your courses. One such tool

6

00:00:11,366 --> 00:00:15,166

is the proxy service. The library

7

00:00:15,166 --> 00:00:17,400

licenses thousands of costly electronic

8

00:00:17,400 --> 00:00:19,766

resources such as scholarly journals,

9

00:00:19,766 --> 00:00:22,000

databases that help you search those

10

00:00:22,000 --> 00:00:25,566

journals, and ebooks to name a few. These

11

00:00:25,566 --> 00:00:27,866

resources are available only to members

12

00:00:27,866 --> 00:00:31,366

of the UD community. The proxy service

13

00:00:31,366 --> 00:00:33,366

allows the library to verify that you

14

00:00:33,366 --> 00:00:35,433

are authorized to view and download this

15

00:00:35,433 --> 00:00:38,200

licensed content. When you're researching

16

00:00:38,200 --> 00:00:40,700

start at the library website so that you

17

00:00:40,700 --> 00:00:43,466

can access the proxy. Conduct a search in

18

00:00:43,466 --> 00:00:45,766

a database of your choosing, or the

19

00:00:45,766 --> 00:00:48,000

catalog DELCAT Discovery, as I am doing

20

00:00:48,000 --> 00:00:53,000

here.

21

00:00:53,000 --> 00:00:55,666

Here's an e-book that I want to take a

22

00:00:55,666 --> 00:00:58,800

look at. Notice the link marked "View Now"

23

00:00:58,800 --> 00:01:01,833

on the search result. You can also find

24

00:01:01,833 --> 00:01:06,666

this link inside the full record.

25

00:01:06,666 --> 00:01:08,733

The first time you click on such a link you

26

00:01:08,733 --> 00:01:10,633

will be taken to the campus "Central

27

00:01:10,633 --> 00:01:13,566

Authentication Service" page. Enter your

28

00:01:13,566 --> 00:01:16,633

UDelNet ID and password, and you will

29

00:01:16,633 --> 00:01:19,066

then be authenticated as a University of

30

00:01:19,066 --> 00:01:22,000

Delaware user, and you will continue to

31

00:01:22,000 --> 00:01:24,933

your selected resource. You generally

32

00:01:24,933 --> 00:01:26,766

need to do this only once during your

33

00:01:26,766 --> 00:01:29,766

session at the library site. If you ever

34

00:01:29,766 --> 00:01:32,233

experience problems with the proxy or

35

00:01:32,233 --> 00:01:34,000

find that you are being prompted to pay

36

00:01:34,000 --> 00:01:36,000

for something, please reach out to the

37

00:01:36,000 --> 00:01:38,300

Library. We can help troubleshoot

38

00:01:38,300 --> 00:01:41,033

off-campus authentication errors and can

39

00:01:41,033 --> 00:01:42,866

help you obtain what you need through

40

00:01:42,866 --> 00:01:44,500

our "Article DELivery Service" or

41

00:01:44,500 --> 00:01:47,700

Interlibrary Loan.
