2010 Summer Workshops

Introduction to Instructional Media

will provide an overview of film and video resources and services for classroom instructional support and research which are available at the University of Delaware Library.

- Wednesday, June 9, 2010, 10-11 a.m.

Introduction to *RefWorks* will cover

the basic functions of *RefWorks*, a citation management system that allows users to create and manage references, export references from databases, and generate bibliographies. An introduction to the *RefWorks 2.0* new user interface will be included.

- Monday, June 14, 2010, 2-3:30 p.m.
- Wednesday, July 7, 2010, 10-11:30 a.m.

Genealogy for Beginners will present

an overview of the types of records that contain genealogical information as well as research strategies for finding and recording this data. Learn how to search the online database *Ancestry Library Edition* for U.S. census records.

- Tuesday, June 15, 2010, 10-12 p.m.

Research Funding Online will focus upon two

Library databases, *Foundation Directory Online* and *COS Funding Opportunities*, which faculty, staff, and graduate students can use to identify potential funding resources.

- Thursday, July 8, 2010, 10-11:30 a.m.

RefWorks Advanced will cover the

advanced functions of *RefWorks*, including using the Write-N-Cite feature to insert in-text citations and create bibliographies or reference lists. An introduction to the *RefWorks 2.0* new user interface will be included.

- Wednesday, August 4, 2010, 10-11:30 a.m.
