Workshops are available at no charge and are open to University of Delaware faculty, staff and students. Seating is limited and registration is required. Online registration is available at [http://guides.lib.udel.edu/workshops].

Questions regarding the workshops can be answered at 302-831-2432 or via email [lib-workshops@udel.edu].
Citing Using APA Style and RefWorks will start at an intermediate level; it is recommended that participants take the "Introduction to RefWorks" workshop first, or have some previous experience with RefWorks. This workshop will focus upon using RefWorks to apply the APA citation style when creating reference lists and in-text citations.

Wednesday, October 9, 2013, 2-4 p.m.
Presenter: Rebecca Knight, Associate Librarian, Reference and Instructional Services Department

Introduction to Studio Recording will go over all the basics of using the studios and equipment at the Student Multimedia Design Center to record, mix and master for an audio project. Software demonstrated will include GarageBand (Mac) and Audacity (Windows/Mac).

Wednesday, October 9, 2013, 2:30-4:30 p.m.
Presenter: Nico Carver, Assistant Librarian, Student Multimedia Design Center

Introduction to Digital Animation Techniques will introduce animation techniques and the tools and software that can be used to create animations.

Friday, October 11, 2013, 2:30-4:30 p.m.
Presenter: Nico Carver, Assistant Librarian, Student Multimedia Design Center

Digitizing Old Formats: Photos and Video will cover the steps necessary to convert participants’ media, including VHS and Hi-8 tapes to DVD, and 35mm photographic film, prints and slides to digital files that can be shared via email and social media.

Monday, October 14, 2013, 2:30-4 p.m.
Presenter: John Stevenson, Associate Librarian, Student Multimedia Design Center

Production Basics – Frame it, Mic it, Light it will introduce participants to equipment available from the Student Multimedia Design Center, and basic production techniques to make footage look and sound better.

Thursday, October 17, 2013, 2-4 p.m.
Presenters: Hannah Lee, Assistant Librarian, Student Multimedia Design Center and Nico Carver, Assistant Librarian, Student Multimedia Design Center

RefWorks Beyond the Basics will cover the advanced functions of RefWorks, including using the Write-N-Cite feature to insert in-text citations and create bibliographies or reference lists.

Tuesday, October 29, 2013, 2-3:30 p.m.
Presenters: William Simpson, Associate Librarian, Reference and Instructional Services Department and Rebecca Knight, Associate Librarian, Reference and Instructional Services Department

Funding Sources for Graduate Students will focus upon two Library databases, Foundation Grants to Individuals Online and COS Pivot, which graduate students can use to identify grants and other potential funding resources.

Wednesday, October 30, 2013, 10 a.m.-12 p.m.
Presenters: Carol Rudisell, Librarian, Reference and Instructional Services Department and Michael Gutiérrez, Associate Librarian, Reference and Instructional Services Department

Digitizing Old Formats: Audio will teach participants how to transfer treasured memories housed on old formats such as vinyl records and audio cassettes to digital formats playable on CD and MP3 players.

Wednesday, October 30, 2013, 2:30-4 p.m.
Presenter: John Stevenson, Associate Librarian, Student Multimedia Design Center

Adobe Premiere Pro is a flexible yet powerful video editing application that can be used on Windows or Mac. This workshop will teach participants all the necessary skills to get started with this full-featured tool for completing polished video products.

Monday, November 4, 2013, 2-4 p.m.
Presenter: John Stevenson, Associate Librarian, Student Multimedia Design Center

Introduction to ARTstor will feature the basic functions of ARTstor, an image library of more than one million images in the arts, architecture, humanities and sciences.

Tuesday, November 5, 2013, 2-3:30 p.m.
Presenters: Susan Davi, Head, Collection Development Department and Derek Churchill, Director, Visual Resources Collection

Research Funding Online will focus upon two Library databases, Foundation Directory Online and COS Pivot, which faculty and staff can use to identify grants and other potential funding resources.

Wednesday, November 6, 2013, 10 a.m.-12 p.m.
Presenters: Carol Rudisell, Librarian, Reference and Instructional Services Department and Michael Gutiérrez, Associate Librarian, Reference and Instructional Services Department

Advanced Census for Genealogy Research is intended for researchers who have already searched for census information on their ancestors and now need assistance with more advanced techniques. The workshop will focus on strategies for dealing with misspelled names, browsing by geographic place, and finding information in slave schedules and non-population census records.

Tuesday, November 12, 2013, 10 a.m.-12 p.m.
Presenters: Rebecca Knight, Associate Librarian, Reference and Instructional Services Department and Linda Stein, Librarian, Reference and Instructional Services Department

Workshops are available at no charge and are open to University of Delaware faculty, staff and students. Seating is limited and registration is required.
