SPRING 2017 WORKSHOPS

library.udel.edu/workshops

Focus on Data

Writing a Data Management Plan
Learn the basics of writing a data management plan including what elements to include in the DMP, where to locate appropriate metadata schemas and subject specific data repositories, and licensing restrictions that might be appropriate for your research data.

Thursday, March 23, 2017, 10-11:30 a.m.

Data Visualization with Adobe Illustrator
Turn your raw research data into beautiful visualizations using Adobe Illustrator CS6.

Wednesday, April 5, 2017, 1-3 p.m.

Funding

Research Funding Online
Not sure how to identify potential funders for your research? In this workshop, you will learn about databases that list grants from private foundations, corporations and government agencies. This workshop is co-sponsored by the Research Office.

Wednesday, April 19, 2017, 10-11:30 a.m.

Grants for Nonprofit Organizations
Discover two Library databases, Foundation Directory Online and COS Pivot, which administrators and volunteers at nonprofit agencies can use to identify potential funding sources, such as grants from private foundations, corporations and public charities. You will learn strategies for searching the databases and locating additional grants information on the Internet.

Thursday, April 27, 2017, 10-11:30 a.m.

GIS

Researching and Exporting Data with PolicyMap Learn to make maps easily, upload your own data points to geocode U.S. addresses, and download data from PolicyMap for use in your own research, mapping and presentation tools.

Wednesday, February 22, 2017, 9:05-11 a.m.

Getting Started with ArcGIS Online
Learn how to make a map online and add data to it. Cloud-based ArcGIS Online makes it easy to add one's data to a map and share it widely.

Wednesday, March 1, 2017, 9:05-11 a.m.

Getting Started with ArcGIS for Desktop
Create maps using ArcGIS for Desktop, a powerful mapping and analysis tool available in several labs on campus that supports creation of map images suitable for publication.

Wednesday, March 8, 2017, 9:05-11 a.m.
Please note: this workshop is in Smith Hall, Room 010

Multimedia Tools

Adobe Photoshop: The Basics
Learn the basics of Photoshop in a fast-paced, hands-on workshop. Cropping, resizing, combining and making adjustments to photos will be covered.

Thursday, February 16, 2017, 2-4p.m.

Creative Photography: The Basics
Learn the basics of taking great photos. Bring your camera as this will be a hands-on workshop! Any type of digital camera will work.

Thursday, March 9, 2017, 1:30-3:30 p.m.

Orientations

Orientation to the Student Multimedia Design Center Learn about the facility and services offered at the Student Multimedia Design Center, located in the lower level of the Morris Library.

Tuesday, February 7, 2017, 12:30-1 p.m.
Wednesday, February 8, 2017, 3-3:30 p.m.
Thursday, February 9, 2017, 10-10:30 a.m.

Orientation to Film and Video Collection
Are you an instructor who's interested in learning more about the Library's Film & Video Collection? Register for our upcoming Orientation to learn more about video, gaming, and streaming media resources and services that will help you with your teaching!

Monday, February 13, 2017, 2-3 p.m.
Thursday, February 16, 2017, 9-10 a.m.

Optimizing Research

Introduction to the New RefWorks
Learn to use the citation manager RefWorks. Topics covered in this hands-on workshop include importing and organizing references, attaching and annotating attachments, collaborating on research, generating a bibliography and creating in-text citations.

Wednesday, February 15, 2017, 2-4 p.m.
Tuesday, February 28, 2017, 2-4 p.m.

Citation Management with RefWorks NEW
will introduce you to the 2016 release of RefWorks, a tool that organizes and stores data on your sources, and then creates properly formatted notes and bibliographies in a wide variety of citation standards, saving you considerable time and frustration.

Tuesday, March 14, 2017, 2-3:30 p.m.
